RE: For Your Prompt Review - Draft GLWQA Progress Report of the Parties

Will flip the comments I get that I don't see you cc'ed on for your record and if Co-Leads' input is simple enough I'll incorporate into the Master PRP and close up their chapter:

- For A7 I accepted all tracked changes in the Master PRP & Co-Leads were also ok deleting the "priorities-related" bullet.
- For A8 I accepted all the tracked changes and included the placeholder text below from the Co-Leads.

Heard for Annex 1, Wendy will touch base w/ Chris and A1 Co-Leads may have something maybe by Wed.
